Submission Guidelines

Submissions to the Citrus Bulletin must be made electronically by e-mailing them to CitrusBulletin@citruscollege.edu by 4:30 p.m. on the Wednesday prior to publication. To view past issues, go to Citrus Bulletin.

Special Edition

In anticipation of spring break next week, the External Relations Office is producing this special edition of the Citrus Bulletin. The next regularly-scheduled edition will be published Monday, April 21, 2014.

Classified staff will be working a four day workweek, nine hours per day, for the week of Monday, April 14, 2014 (Spring Break). This is in accordance with the May 30, 2012 Memorandum of Understanding between CSEA and the District. For more information regarding the hours per day and compensation, review the recent e-memo distributed by the Office of Human Resources.

Accreditation

Dr. Arvid Spor, vice president of student services and interim vice president of academic affairs, currently serves as the accreditation liaison officer. He recently notified the campus that the current version of the accreditation standards will be applied to Citrus College when the Accrediting Commission for Community and Junior Colleges considers Citrus College for reaffirmation of accreditation in fall 2015. This is good news for the 11 teams currently working hard on the self-evaluation process to ensure that our Self Evaluation Report is submitted by August 2015.

CCSSE

The Community College Survey of Student Engagement (CCSSE) will soon take place at Citrus College for the fifth time. Only students in randomly selected classes will be surveyed, and the information obtained will provide invaluable data to the college.

Volunteers Needed

The Citrus College Foundation and the Financial Aid Office will be awarding over 100 scholarships to students for the 2014/2015 academic year. If you are interested in volunteering to read scholarship applications, please contact Katrina Hewitt at khewitt@citruscollege.edu. Volunteers will be tasked with reading, evaluating, and scoring applications. They will have three weeks to complete their task.

Construction News

As the Administration Building construction process is quickly finalizing, one of the remaining outdoor tasks for the contractor to complete is the parking lot. As such, the construction trailers will be moved off the site and the fencing will be relocated in preparation for asphalt repairs and sealing. Please be advised that the Administration parking lot (E6 west) will be undergoing repairs the week of spring break and will not be accessible. Specifically, the Administration lot will be closed from 4-11-14 (6:00 am) through 4-21-14 (6:00 am).

Spring Workshops
