Alternative text for the mathematics (MATH) courses guided self-placement graphic on the Citrus College website, Pathways Placement:

CTE Pathway is open to all students as MATH 144 - Technical Math at 5 units and degree applicable for CSU transfer.

Liberal Arts Pathway is open to all students as MATH 160 - Mathematics for Everyday Living at 5 units and degree applicable for CSU/UC transfer.

Teacher Prep Pathway is open to all students as MATH 168 - Mathematics for Elementary Teachers level one at 5 units and degree applicable for CSU/UC transfer AND MATH 169 - Mathematics for Elementary Teachers level two at 5 units and degree applicable for CSU/UC transfer.

Statistics Pathway is open to all students as MATH 165 - Introductory Statistics at 4 units and degree applicable for CSU/UC transfer with MATH 065 - Statistics Corequisite at 2 units and not degree applicable.

Calculus for Business and Social Sciences Pathway is open to all students as MATH 180 - Calculus for Business and Social Sciences at 4 units and degree applicable for CSU/UC transfer with MATH 080 – Calculus for Business and Social Sciences Corequisite at 2 units and not degree applicable.

Pre-Calculus is open to all students as MATH 175 - Precalculus at 6 units and degree applicable for CSU/UC transfer with MATH 075 - Precalculus Corequisite at 2 units and not degree applicable.

Calculus I - MATH 190 - Calculus with Analytic Geometry I at 5 units and degree applicable for CSU/UC transfer. Prerequisite: MATH 175 or direct placement based on multiple measures.

Calculus II - MATH 191 - Calculus with Analytic Geometry II at 5 units and degree applicable for CSU/UC transfer. Prerequisite: MATH 190 or direct placement based on multiple measures.

Calculus III - MATH 210 - Calculus with Analytic Geometry III at 5 units and degree applicable for CSU/UC transfer. Prerequisite: MATH 191.

Differential Equations - MATH 211 - Differential Equations at 5 units and degree applicable for CSU/UC transfer. Prerequisite: MATH 210.

Introduction to Linear Algebra - MATH 212- Introduction to Linear Algebra at 4 units and degree applicable for CSU/UC transfer. Prerequisite: MATH 191.

Calculus I – Math 190 Calculus with Analytic Geometry at 5 units and degree applicable for CSU/UC transfer with MATH 090 – Calculus I Corequisite at 2 units and not degree applicable. Prerequisite: MATH 175 or direct placement based on multiple measures.
