

ALFIE BELONGS TO
DR. BEVERLY VAN CITTERS
FACULTY-LANGUAGE ARTS

Alfie Van Citters is a rescue from the Pasadena Human Society— He is 6 years old and has Golden Lab and possibly Great Dane markings. He is about 90 pounds! A gentle giant with a Marmaduke-like personality, Alfie was orphaned when my father in law passed on April 29th, so my husband Gregg and I adopted him as we promised Dad Van Citters.
