## **CORONAVIRUS (COVID-19) EXPOSURE NOTIFICATION**

Email to students and employees – January 24, 2022

DATE: January 24, 2022  
FROM: Robert Sammis and the COVID-19 Workgroup  
RE: COVID-19 Exposure Notification

Dear Citrus College Students and Colleagues,

I am writing to inform you that the college has recently received information about the following confirmed cases of Coronavirus 2019 (COVID-19) present on campus. The COVID-19 cases were present in the following location(s):

- 1) **Liberal Arts/Business Building (third floor) – LB 310 – Wednesday, January 19, 2022 from 10:25 a.m. to 12:35 p.m.**
- 2) **Student Services Building (first floor) – specifically the International Student Center, SS 164 – Friday, January 21, 2022 from approximately 7:30 a.m. to 4:30 p.m.**
- 3) **Life Science Building (LS) from approximately 9:30 p.m. on Friday, January 21, to 6:30 a.m. on Saturday, January 22, 2022**
- 4) **Little Theater/Performing Arts Building (west wing) from approximately 9:30 p.m. on Friday, January 21, to 6:30 a.m. on Saturday, January 22, 2022**

Those who may have been in the area(s) and had contact have been notified. If you were in the identified area(s) during the date(s) and time(s) indicated and you have not already been contacted by the college, please let me know via email, [rsammis@citruscollege.edu](mailto:rsammis@citruscollege.edu), and I will provide you with further instructions.

The following guidelines are offered as precautionary measures:

- Wear a face covering (mask) as currently required by the County of Los Angeles Department of Public Health while indoors regardless of vaccination status.
- Stay home when you are sick. Anyone with symptoms consistent with COVID-19 should remain at home in isolation for a minimum of 10 days plus at least three days after the resolution of fever (without fever-reducing medication) and improvement in other symptoms. District provided COVID-19 sick leave (80 hours) is available to full-time employees in addition to regular sick leave.
- Wash your hands often with soap and water for at least 20 seconds. If soap and water are not available, use alcohol-based hand sanitizers that contain at least 60% alcohol.
- Cover your coughs and sneezes with a tissue, and then dispose of the tissue and clean your hands immediately. If you do not have a tissue, use your sleeve, not your hands, to cover your coughs and

sneezes.

- Limit close contact with people who are sick, and avoid sharing food, drinks or utensils.
- Clean and disinfect frequently touched objects and surfaces using a regular household cleaning spray or wipes.

Please know that Citrus College is committed to the health and well-being of our students, faculty, staff and broader college community. In addition, here is a short list of credible sources for information:
