

**Chinchillas are small rodents native to the Andes Mountains in South America. Their name means "little Chincha" because they are named after the Chincha people of the Andes.**

**CHINCHILLA FUN FACTS**

- \*A NATURAL ACROBAT**
- \*NOCTURNAL**
- \*TAKES DUST BATHS**
- \*MATURE BY 8 WEEKS OLD**

This is Omega & Ponchi. They may look calm, but they are very active. They love running on their wheel, especially in the middle of the night. They will chew on anything and everything!

**Omega & Ponchi are the pets of Brenda Fink  
Manager of Human Resources/Staff Diversity Officer**

**PET OF THE MONTH  
SPONSORED BY  
CLASSIFIED STAFF  
DEVELOPMENT**
