IMPORTANT NOTES:

- Information subject to change. Please meet with a [nursing counselor](#) for updates.
- The Citrus College ADN program follows a multi-criteria screening and ranking process. This Multi-Criteria for Selection is used to determine who will be admitted into the program. Students are ranked using the Multi-Criteria for Selection. The criteria consist of 100 total points possible. All qualified applicants are ranked from highest to lowest points.
- Coursework from ALL colleges/universities must be submitted prior to the application. Any applicant who does not submit all coursework at the time of application shall be disqualified from consideration; or dismissed from the program.
- Falsification of any documentation used for the Multi-Criteria for Selection will disqualify applicants from entering the program.
- Each document may be used as verification for only ONE criterion. Separate documents must be submitted to receive points for each criterion: health experience, life experience and proficiency in another language.
- Completion of the standardized [Assessment Technologies Incorporated \(ATI\) Test of Essential Academic Skills \(TEAS\)](#) is not required to apply to the ADN program. However, it is mandatory for all *provisionally admitted* students to have the [ATI TEAS](#) completed with a total score of 62% or higher in order to be enrolled in the subsequent fall semester.
