Dear Colleagues,

With the Thanksgiving holiday upon us, I wanted to take a moment to reflect and to thank each of you for all that you do throughout the year to support our students.

As superintendent/president, it has been an honor to serve our campus with you, and see all the ways that you help our students reach their academic, personal and professional goals. Throughout the year I speak with many of our students, and they tell me how much they appreciate you and the way our campus feels. The Citrus College experience is unique, thanks to each of you. Thank you for continuing to lead with empathy, grace and encouragement for our students and each other. I am very grateful for the opportunity to serve alongside you.

As we approach the end of the fall semester, I look forward to working with you in the remaining weeks to ensure our students finish the year strong. In the meantime, I hope that you are able to rest, reflect and spend time with friends and family. If your schedule permits, I hope to see you at our upcoming Holiday Open House on Thursday, December 8 in the Campus Center.

Please accept my sincere wishes for a safe, happy and memorable Thanksgiving!

With appreciation,

Sincerely,
