Jesus Nunez has a strong work ethic and is a leader within the department. His knowledge is utilized as he is often assigned to train new officers and sets a great example for them to follow. Jesus demonstrates a great deal of P.R.I.D.E. (professionalism, respect, integrity, determination, enthusiasm) throughout each and every shift. He has only been absent twice in his seven years as a Campus Safety Officer. Ever ready to assist, Jesus handles all calls for assistance with tact and attention to detail while conveying a professional demeanor at all times. Jesus is well liked by his peers and provides good customer service to students, employees, and the public alike.

Jesus is an integral component of the Campus Safety team that is tasked to ensure the safety and security of the campus community. His efforts support the Citrus College mission and enable students and employees to persevere in their pursuit of academic excellence, economic opportunity, and personal achievement.

—Ben Macias, Campus Safety Supervisor
