Toby is a Flame Point Siamese rescue from the Rancho Cucamonga shelter. He was rescued at 6 months of age is currently 6 years old. He's a prolific hunter that brings lizards, rats, mice, baby bunnies and gophers inside the house as well as to the front door. He has been known to bring his half eaten prey to the front door when guests arrive for a family event. He likes to watch soccer on the iPad, lounge around, tease his dog sister and purr, but he is also naughty and sometimes bites when he receives too much affection.
