Noncredit Courses

Noncredit education is designed to supplement your continued growth and to enhance your employment opportunities through courses ranging from basic skills and health care to vocational preparation and job retraining. Enrollment in noncredit courses is free, and continues throughout the school year. All noncredit courses are subject to budget and attendance.

Registering

You must pre-register for noncredit courses. Pre-registering secures your space in a class you want to take (some classes have limited enrollment). It helps us determine if a class will be held or canceled, and it allows us to notify you if a class is canceled. All classes are subject to change and/or cancellation at the discretion of the department. **Classes may be canceled up to three days before the class start date if the minimum enrollment is not met.** You can register any time after you receive this schedule. You don't need an appointment to register. You will not be able to register in the classroom without prior approval of the continuing education office. Application and registration information can be found on pages 4-10 (now featuring Spanish and Chinese translations!).

Who Teaches the Courses?

Noncredit courses are taught by instructors who meet state qualifications. They have educational backgrounds and professional experience in their fields.

Who May Attend?

You can enroll in noncredit courses if you are an adult California resident, regardless of where you live.

Fee-Based Classes

Community education classes are supported by your class fees, not state funds. We determine fees based on length of the class, instructor's salary, administrative and operating costs, course materials, minimum enrollment, and rental factors. Fees don't include textbooks or supplies. The class descriptions indicate those classes that have an extra charge for materials.

Community education classes are flexible. You can take a class that meets just one day or a class that meets for several weeks. Most classes are offered evenings and weekends. You'll also find special all-day workshops and seminars.

Registering

You must pre-register for community education classes. Pre-registering secures your space in a class you want to take (some classes have limited enrollment). It helps us determine if a class will be held or canceled, and it allows us to notify you if a class is canceled. All classes are subject to change and/or cancellation at the discretion of the department. **Classes may be canceled up to three days before the class start date if the minimum enrollment is not met.** You can register any time after you receive this schedule. You don't need an appointment to register. You will not be able to register in the classroom without prior approval of the continuing education office.

Who Teaches the Classes?

Classes are taught by experts in their fields who bring hands-on, practical information to the classroom. They present class materials in a format that is appropriate to the audience served.

Who Can Enroll?

Community education classes are open to all adults in the community. Children and teens can take classes through the Youth Program.

When Are Classes/Courses Offered?

Fall 2023 semester begins Aug. 25, 2023.

However, class start and end dates vary throughout the semester. Be sure to check class dates listed in the schedule carefully, so you don't miss the class that you want to take.

Fall holidays – classes will not meet on the following dates: Aug. 25, Sept. 2-4, Nov. 10-12 and Nov. 23-26, 2023.

Paranormal Personal History

Have you seen a UFO? Have you been contacted by alien beings? Have you ever seen a ghost? Have you known something was going to happen before it happened? Have you experienced something that cannot be explained?

This community education course will explore personal experiences of paranormal events, including telepathy, precognition, clairvoyance, psychokinesis, near-death experiences, reincarnation, apparitions, angels and demons, and alien contact.

With the premise that experience rather than belief in the paranormal is the best teacher, students will share their own paranormal experiences, and the instructor will guide them through some of the literature and theories behind these phenomena. Students will read a course book together, and speakers (psychologists, philosophers, clergy, psychics and other surprise guests) will enhance the classroom experience. Students will be able to freely discuss and analyze their experiences within the context of other well-documented paranormal phenomena and prevailing theoretical frameworks. The course will provide a friendly and affirming environment in which students can share their experiences and gain personal insights.

Hostigamiento Sexual e Información sobre Violencia Sexual

Ninguna comunidad hoy día en nuestra sociedad puede estar completamente libre de riesgos. Sin embargo, si trabajan juntos los estudiantes, la facultad, el personal y los visitantes, pueden crear una atmósfera que sea segura y libre de crimen lo más que se pueda. Las Secciones 66281.5 y 67385.7 del Código de Educación requieren que los distritos de colegios comunitarios adopten e implementen procedimientos para asegurarse que se de una respuesta pronta a los casos de víctimas de hostigamiento sexual y de la violencia sexual que se pudieran presentar en el campus del colegio así como ofrecerles información sobre opciones de tratamientos y servicios. Citrus College toma este tema del hostigamiento sexual y la violencia sexual muy en serio, y es proactivo en ofrecer un ambiente seguro a sus estudiantes y visitantes. Para lograrlo, Citrus College ofrece información y programas de prevención a todos los estudiantes y personal para ayudar a prevenir el riesgo de casos de hostigamiento sexual y de violencia sexual en el campus. Información adicional está disponible en la Declaración de Prevención de Violencia Sexual que se encuentra en nuestro sitio de Internet en www.citruscollege.edu.

Rights & Privacy Policy

Citrus College student records are maintained in accordance with the Education Code, Title 5, California Civil Code, and the U.S. Patriot Act. Written student consent is required for access and release of information defined as educational records in the federal and state laws as described in Citrus College AP 5040. A student's directory information (student's name, address, telephone number, date and place of birth, major field of study, class schedule, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and most recent previous public or private school attended) may be released upon request unless the Admissions and Records Office receives written notification that a student reserves the right to authorize in writing, on an individual request basis, the access and release of the directory information. Such a notice of restriction will remain in effect until it is countermanded in writing. Additionally, the law provides that a student may request access to the college records which are personally identifiable to that student, and may challenge the accuracy or the appropriateness of retention of information in the college record. Questions concerning student's rights under the privacy act should be directed to the Admissions and Records Office, 626-914-8511.

Reglas de Derechos o Privacidad

Los récords de los estudiantes de Citrus College se archivan de acuerdo al Código de Educación, Título 5, Código Civil de California y el Acta U.S. Patriot. Se requiere por escrito el consentimiento del estudiante para tener acceso o para entregar información que sea definida como récord educativo tal y como lo describen las leyes federales y estatales en Citrus College AP 5040.

La información contenida en el directorio estudiantil (Nombre, dirección, teléfono, lugar y fecha de nacimiento, programa de estudios, horario de clases, participación en actividades o deportes del colegio, el peso y la estatura de los miembros de equipos atléticos, fechas de asistencia, títulos o premios recibidos) no podrá ser obtenida a menos que la oficina de "Admissions and Records" reciba una notificación por escrito por parte del estudiante, reservándose el derecho a aprobar el acceso a la información contenida en el directorio estudiantil. Esta restricción se mantendrá en efecto hasta que sea contradicha por escrito. Además, la ley indica que un estudiante puede tener acceso a su propio expediente académico y poner a tela de juicio la exactitud o la conveniencia de mantener cierta información en dicho expediente. Cualquier pregunta concerniente a los derechos de los estudiantes bajo la ley de confidencialidad deben ser dirigidas a la oficina de "Admissions and Records," 626-914-8511.

Student Right-to-Know

In compliance with the Student Right-To-Know and Campus Security Act of 1990, it is the policy of the Citrus Community College District and Citrus College to make available its completion and transfer rates at all current and prospective students.

Student Right-To-Know (SRTK) refers to a Federally-mandated public disclosure of a college's Completion Rate and Transfer Rate. The intent of SRTK is to provide to the consumer a statistic of comparable effectiveness that they can use in the determination of college choice. All colleges nationwide are effectively required to participate in the disclosure of rates by January 2000.

SRTK is a "cohort study"; that is, a group of students who are first-time freshmen who are enrolled full-time and are degree-seeking is identified in a fall term and their outcomes are measured over a period of time. The outcomes that the two SRTK rates measure are Completion (the total number of students in the cohort who earn either a degree, a certificate, or who successfully completed a two-year-equivalent transfer-preparatory program) and Transfer (the total number of cohort non-completers who were identified as having enrolled in another institution). The tracking period of the cohorts is three (3) years, at which time the SRTK rates are calculated and made public.

SRTK Rates are derived and reported yearly on the IPEDS-GRS (Integrated Postsecondary Educational Data System-Graduation Rate Survey). The IPEDS-GRS also tracks part-time student cohorts over a six (6) year period; however, full-time cohort status after 3 years is the only basis for calculating SRTK rates.

Access to the Citrus College Student Right-To-Know Rates and further information about the rates and how they should be interpreted is available through the "Student Right-To-Know Information Clearinghouse website" maintained by the Chancellor's Office, California Community Colleges at <http://srtk.cccco.edu/index.asp>.

Derecho de los Estudiantes a la Información

En cumplimiento del Acta de Derecho de los Estudiantes a la Información y del Acta de Seguridad en el Campus de 1990, es la política de Distrito Citrus Community College y de Citrus College hacer disponible la información sobre las tasa de transferencia y de cursos completados a todos los estudiantes actuales y futuros.

El Derecho de los Estudiantes a la Información (Student Right-To-Know, SRTK por sus siglas en inglés) se refiere al mandato federal que requiere que se haga pública la tasa del porcentaje de estudiantes que se transfieren y que terminan los requisitos. La intención de SRTK es ofrecer al consumidor estadísticas comparativas para que puedan determinar cualquier colegio seleccionan. Se requiere que todos los colegios a nivel nacional participen de forma efectiva en hacer pública esta información a partir del 2000.

SRTK es un "grupo específico" del cual se adquiere información, lo que quiere decir que un grupo de estudiantes que por primera vez entran al colegio, estudiantes "freshmen" que están inscritos de tiempo completo en busca de un título, se inscriben durante el otoño y el resultado de su estudiantes se mide a lo largo de un periodo de tiempo. Los resultados que mide SRTK son la tasa de Cumplimiento (el total del número de estudiantes en el "grupo específico" que logran obtener su título, certificado, o que de forma exitosa terminan un programa equivalente de dos años de transferencia) y la tasa de Transferencias (el número total del "grupo específico" que no logran completar el curso de estudios y fueron identificados de haberse inscrito en otra institución).

El periodo de colección de información del grupo específico es de tres (3) años, durante el cual las tasas de SRTK serán calculadas y se harán públicas. Las tasas de SRTK se derivan y se reportan cada año en el IPEDS-GRS (Integrated Postsecondary Educational Data System-Graduation Rate Survey por sus siglas en inglés). El IPEDS-GRS también colecciona información de estudiantes de grupos específicos de medio tiempo durante el transcurso de seis (6) años; sin embargo, la base para calcular la tasa de SRTK para los estudiantes de tiempo completo dentro de los grupos específicos sólo se colecciona por tres años. Acceso a las Tasas y al Derecho de Información para Estudiantes de Citrus College e información adicional sobre las tasas y sobre cómo deben interpretarse está disponible en el sitio de internet de Acceso a la Información "Student Right-To-Know Information Clearinghouse website" mantenido por la Oficina del Canciller de los Colegios Comunitarios de California <http://srtk.cccco.edu/index.asp>.
