

Citrus College Conversation and Call to Action

In light of the tragic death of George Floyd and national social unrest, Citrus College will host a virtual, open forum for students on Friday, June 12, 2020, at 2 p.m. Our aim is to provide a safe space for open dialogue to reflect, process, and understand how we as an institution can actively influence the social change needed to move forward and truly make a difference. I encourage you to attend and be a part of this Citrus College Conversation and Call to Action.
