# Salem

## Pet Of The Month!

Salem is bilingual and responds to "Tomas" instead of his birthname. My grandmother started calling him that because she couldn't pronounce "Salem" and now he prefers it! Salem loves visiting the neighbor cats and exploring the outdoors. He brings me lovely gifts like mice, lizards, birds, and hair balls. Once he brought back a live mouse and it ran through my whole house! It was an eventful day.

**Salem belongs to
