

Citrus College

Dance

Now Offering a Commercial Dance Certificate

The Citrus College Dance Program prepares you for many career opportunities. You can transfer to a four-year college and/or train for one of the following careers: professional dancer, dance educator, studio dance instructor, choreographer, director of a dance company, dance researcher, dance critic or dance therapist.

Instructors in the dance program are professional educators, holding advanced degrees in dance and musical theatre. They have also performed and choreographed in the professional dance world, including Broadway and Hollywood.

the college's new dance facilities include a state-of-the-art 40' x 60' dance studio with a professional sprung dance floor, full-length mirrors and ballet barres.

Dance students have the opportunity to perform in a number of productions each school year. Highlights include both Fall and Spring Dance Concerts; Christmas Is; and Pop Show-all of which are performed in the Haugh Performing Arts Center.

The Citrus Dance Company provides students with performing experiences with the Citrus Dance Company touring ensemble and out-of-state venues. The American College Dance Festival Conference provides an opportunity to perform and attend classes with students from a multitude of other colleges and universities, while taking classes from dance professionals.

College Admission

Admission to Citrus College is open to high school graduates and any person 18 years of age or over.

To enroll, submit an application for admission online at:
<https://wingspan.citruscollege.edu>

New students enrolled in five or more units and planning to earn an associate degree, a certificate of achievement, or a skill award must take an English and math skills assessment. In addition, new students who plan to enroll in English, mathematics or reading classes must participate in the skills assessment process.

Concurrent Enrollment for High School Students

Some programs and classes are available to current junior and senior high school students. Interested students should contact their high school counselor or the college's Admissions and Records Office.

Associate Degree

For an associate degree, a student must complete 60 degree-applicable units of work and fulfill specific general education requirements, including electives and physical education. A cumulative grade-point average of 2.0 ("C") or above is required.

For detailed information, refer to the college catalog or consult a counselor.

Transfer Requirements

Transfer requirements can be integrated with the associate degree option so that you may receive a degree at the time of transfer. **See a counselor for specific requirements for your major. Course requirements may vary among colleges.**
