# Study English as a Second Language (ESL)

Welcome to ESL at Citrus College! Study English and earn a certificate or a degree! Improving your English is an important goal and we are glad you are interested in Citrus College. We offer both credit and noncredit English as a Second Language classes. Which is for you?

## Noncredit ESL

Noncredit ESL is for beginning to intermediate learners who want to learn English for personal enrichment. These classes help students improve basic communication, reading and study skills.

Noncredit classes may be taken more than once. Many students begin ESL in noncredit and then transfer to credit ESL. The Academic Bridge class helps students prepare for credit ESL. Make an appointment with a Noncredit Counselor to determine your level. Call (626) 852-8023.

## Credit ESL

Credit ESL classes help students from low intermediate to advanced levels of English prepare for academic coursework at Citrus College. These classes focus on developing reading, writing, grammar and oral skills. They also prepare students to enter a certificate or degree program, or transfer for a bachelor's degree. There are five ESL levels with several classes in each level. You will take an ESL placement test which will determine your level. For more information contact Connie Tucker at (626) 914-8567.
