

CITRUS COLLEGE ADN PROGRAM REQUIREMENTS GENERIC OPTION (Registered Nursing)

Enrollment in the Citrus College Registered Nursing Program – **Generic Option** – is open to persons regardless of sex, age, marital status, disability, ethnic group, religion or national origin. Person with previous nursing education and/or experience may be considered for advanced placement and will be evaluated on an individual basis. **Applications are accepted once a year for fall admission.** For a complete description of the ADN program please go to:

<http://www.citruscollege.edu/academics/programs/adn/Pages/default.aspxf>

Students seeking admission to the Registered Nursing Program – Generic Option – must meet all of the following criteria:

- An overall grade point average of 2.5 for the core sciences (minimum of 4 units each), which includes Human Anatomy, Human Physiology, and Microbiology with no grade less than a “C” for each course required. Students may repeat only one of the core sciences, one time in the last five (5) years. Please note that a “C” in all course work will not earn a GPA of 2.5. Also a 2.5 GPA is **NOT** competitive.
- A cumulative grade point average (GPA) of 2.5 for all college course work taken.
- College level, transferable English, minimum of three (3) semester units or four (4) quarter units with a grade no less than a “C.”
- Good standing student status (academic and in-progress).
- Before beginning the ADN program, the student must successfully pass the ATI TEAS (Test of Essential Academic Skills) test. This does not have to be completed at the time of application.
- Meet the minimum physical and mental qualifications to perform essential nursing functions (see Essential Functions, page 5: <http://www.citruscollege.edu/academics/programs/adn/Pages/default.aspxf>).
- Pass a background check, including Social Security verification and criminal history.
- High school education or equivalent. *Documentation of completion of all foreign equivalencies must be provided with the application.*

GENERIC (REGISTERED NURSING) OPTION PREREQUISITES TAKEN PRIOR TO ENTRY

The following prerequisites must be completed with a minimum of “C” or better before applying to the Generic ADN Option. **These courses cannot be in progress.**

COURSE and TITLE	UNITS
BIOLOGY 200* - HUMAN ANATOMY *Biology 105 <i>or</i> Biology 124 is a prerequisite for Biology 200	4.0
BIOLOGY 201* - HUMAN PHYSIOLOGY *Biology 200 <u>and</u> Chemistry 103 <i>or</i> 104 <i>or</i> Chemistry 110 <i>or</i> 111 <i>or</i> 112 are prerequisites for Biology 201	4.0
BIOLOGY 220* - MICROBIOLOGY *Biology 105 <i>or</i> Biology 104 <i>or</i> Biology 124 <u>and</u> Chemistry 103 <i>or</i> 104 <i>or</i> Chemistry 110 <i>or</i> 111 <i>or</i> 112 are prerequisites for Biology 220	5.0

*See Citrus College Catalog for applicable courses

REQUESTS FOR EQUIVALENCY

Request for equivalency for core sciences: Courses must meet or exceed the 4.0 unit minimum with a laboratory component, as required by the California Community College Chancellor’s office. If you are uncertain whether a course taken inside or outside the California Community College system is equivalent to the Citrus College course, please contact the Nursing Counselor.

FOREIGN COURSE WORK

Course work completed in another country may be accepted to satisfy requirements for graduation. Foreign transcripts must be evaluated by a recognized foreign evaluation service. Please submit an **official, sealed copy** of the foreign evaluation with the application. Consult the counseling department for assistance with equivalency.

HIGH SCHOOL EDUCATION OR EQUIVALENT

Applicants must provide proof of graduation from:

- An accredited high school in the U.S.A. by transcripts or diploma or;
- Documentation of a passing score on the General Education Development (GED) exam or;
- Associate degree, or Baccalaureate degree from an accredited institution of higher education in the U.S.A. or;
- Official evaluation of international diploma/degree
