One of the primary goals of our MSA Chapter is education and training. In the past, the L.A.-Orange Area Chapter has offered training sessions for the field at a cost of $40-$50 per person per session.

Now that most cities have had to drastically reduce their budget for training, MSA has stepped up to offer our monthly training sessions for only $12.50 per person, including a continental breakfast!

These valuable, hands-on $12.50 Trainings are a chance for you and your crews to learn the new skills and information needed on the job at a price that you can afford.

By Bob Moungey, President L.A.-Orange Area Chapter

The $12.50 Trainings will be offered monthly at various locations and the schedule will be published in each edition of the MSA Ed News. You can participate by:

- Sending employees to the $12.50 Trainings
- Suggest a topic or speaker for $12.50 Trainings
- Host a $12.50 Training at your site
