

# The Public Works Certificates

A cooperative program offered by Citrus College, Palomar College and Santiago Canyon College

- Standardized certificates for entry level job or promotion
- Classes offered at three different colleges
- MSA and APWA approved
- Instructors are Public Works professionals

## LEVEL I CERTIFICATE COURSES

- + Public Works I
- \* Street Construction and Maintenance
- \* Asphalt and Portland Cement
- \* Public Works Inspection
- + Math
- + One Elective

## LEVEL II CERTIFICATE COURSES

- \* Public Administration
- \* Plan Interpretation and Cost Estimating
- \* Supervision in Public Works
- + Computer Class
- + Two Electives

+ Contact each college for their electives list and their on-campus class offerings.

## Online Classes Provide Easy Access, Scheduling and the Ability to Plan Ahead

Six of the Public Works Certificate courses are available through the Distance Education programs at Citrus, Palomar and Santiago Canyon Colleges. By logging on to your computer, no matter where you live in California, you can earn college credit without commuting and you can attend all three colleges for \$20 per unit.
