

2006-2007 BOARD GOALS

Mission Statement

Citrus College delivers high quality instruction that empowers students to compete globally and to contribute to the economic growth of today's society.

We are dedicated to fostering a diverse educational community and cultural learning environment that supports student success in pursuit of academic excellence, economic opportunity, and personal achievement.

In order to maintain and uphold the college mission, the Board of Trustees of Citrus College establishes the following goals:

INTERNAL GOALS:

1. Support academic excellence and increased student success in the areas of transfer, basic skills and vocational education in a learning environment that fosters diversity.
2. Provide student, faculty, and staff, through campus-wide implementation of Sungard Banner, with the tools and data that empower them to more effectively meet their work and academic goals.
3. Provide a high quality learning environment through continued implementation of the Facilities Master Plan.
4. Promote student access to education through examination of alternative college calendars and continued development of opportunities for transfer to and collaboration with four-year colleges and universities.
5. Enhance the educational community and reach a larger demographic through expanded communications, a new college website, and stronger ties with the local media.
6. Develop a comprehensive strategic plan for the college that links programmatic goals to college resources while building upon the planning documents for each of the major areas of the institution.

EXTERNAL GOALS

7. Continue building relationships with the community that promote the college and the Foundation's ability to serve students.
8. Secure state and federal funding, promote community college education and preserve local control through the development of new or enhanced relationships with elected officials.
