The Board of Trustees is committed to assessing its own performance as a Board in order to identify its strengths and areas in which it may improve its functioning.

To that end, the Board of Trustees has established the following processes:

An ad-hoc committee of the Board shall be appointed at the Annual Organizational Meeting to determine the instrument or process to be used in Board self-evaluation which shall occur at the end of the spring term. Any evaluation instrument shall incorporate criteria contained in these Board Policies regarding Board operations, as well as criteria defining Board effectiveness promulgated by recognized practitioners in the field.

The process for evaluation shall be recommended to and approved by the Board of Trustees.

If an instrument is used, all Board members will be asked to complete the evaluation instrument and submit it to the Superintendent/President's Office.

A summary of the evaluations will be presented and discussed at a Board session scheduled for that purpose. The results will be used to identify accomplishments in the past year and goals for the following year.
