

CITRUS COMMUNITY COLLEGE DISTRICT ACADEMIC AFFAIRS

AP 4060 DELINEATION OF FUNCTIONS AGREEMENTS

References: Education Code Sections 8535 and 8536

Whenever the District is approached by another educational agency (public school district or community college district) to assume responsibility for any or all of that agency's adult education apportionment, the following procedure will be implemented.

The Vice President of Academic Affairs will receive the proposal from the requesting school district, containing a list of the courses that it wishes to transfer to the District, as well as an enrollment history for these courses for the last two years.

The Vice President of Academic Affairs will forward the proposal to the Curriculum Committee for review to determine whether the proposed classes fit within the District's mission and curriculum. Such review would consist of, but not be limited to, information on course titles, course content, projected enrollment, and faculty credential requirements. The Curriculum Committee will present the proposal to the Vice President for review with a recommendation about whether or not the proposed transfer should be accepted.

If approved by the Vice President of Academic Affairs, a memorandum of understanding specifying a Delineation of Functions Agreement will be developed jointly with the requesting school district. The agreement shall contain all legal and contractual obligations of either or both districts under the program with appropriate time requirements. Furthermore, the written transfer agreement shall specify 1) that only courses that qualify as community college noncredit education under Education Code, Section 84711 shall be transferred and 2) the number of FTES proposed to be transferred from the district with the existing program.

The memorandum of understanding specifying the Delineation of Functions Agreement will be submitted to the Board of Trustees for approval. If approved by the Board, appropriate paperwork and reports required by the State Chancellor's Office will be completed and submitted for implementation.
