AP 5052 OPEN ENROLLMENT

References: Title 5 Sections 51006, 58106, and 58108

All courses of the District shall be open to enrollment in accordance with BP 5052. Open Enrollment and a priority system consistent with AP 5055 Enrollment Priorities. Enrollment may be limited to students meeting properly-validated prerequisites and co-requisites, or due to other non-evaluative, practical considerations as determined by the Dean of Admissions and Records.

No student is required to confer or consult with or required to receive permission to enroll in any class offered by the District, except as provided for in AP 5055 titled Enrollment Priorities and Nursing, Dental, Recording Arts and Cosmetology programs.

Students are not required to participate in any pre-registration activities not uniformly required, and no registration procedures are used that result in restricting enrollment to a specialized clientele, except as provided for in AP 5055 titled Enrollment Priorities and Nursing, Dental, Recording Arts and Cosmetology programs.

A student may challenge an enrollment limitation on any of the following grounds:

- The limitation is unlawfully discriminatory or is being applied in an unlawfully discriminatory manner;
- The District is not following its enrollment procedures; and/or
- The basis for the limitation does not in fact exist.

Students have the right to challenge any prerequisite or co-requisite by obtaining the Challenge Petition from the Admissions and Records Office. This form requires written documentation, explanation of alternative course work, background, abilities, or other evidence which has adequately prepared you for the target course.

The challenge petition may include one or more of the following:

- A prerequisite or co-requisite has not been made reasonably available;
- A prerequisite or co-requisite has not been established in accordance with the district's process for establishing prerequisites and co-requisites;
- Provide evidence of having the knowledge or ability needed to succeed in the course despite not meeting the prerequisite or co-requisite;
- Challenge other limitations on enrollment;
- Challenge a prerequisite or co-requisite established to protect the health and safety of himself, herself, and/or others;
- A prerequisite, co-requisite, or limitation on enrollment is discriminatory or applied in a discriminatory manner;

- A prerequisite or co-requisite is in violation of Title 5.

If space is available in the target course when a challenge is filed about the prerequisite or co-requisite, the District shall reserve a seat and resolve the challenge within five working days. If the challenge is upheld or the District fails to resolve the challenge within the five working day period, the student will be allowed to enroll in the course. If no space is available in the course when a challenge is filed, the challenge shall be resolved prior to the beginning of registration for the next term, and if the challenge is upheld, the student will be permitted to enroll if space is available when registering for the subsequent term.

Prerequisite and co-requisite challenges are addressed by the appropriate academic discipline/department.
