**References:**           Education Code Sections 68050, 68051, 68130, 68130.5, and 76141; Title 5 Section 54045.5

Nonresident students shall be charged nonresident tuition for all units enrolled, unless specifically required otherwise by law.

Not later than February 1 of each year, the Superintendent/President shall bring to the Board of Trustees for approval an action to establish nonresident tuition for the following fiscal year. The fee shall be calculated in accordance with guidelines contained in applicable state regulations and/or the California Community College Attendance Accounting Manual.

The Superintendent/President shall establish procedures regarding collection, waiver, and refunds of nonresident tuition.

The Superintendent/President is authorized to implement a capital outlay fee to be charged only to persons who are both citizens and residents of foreign countries. The Board of Trustees finds and declares that this fee will not exceed the amount expended by the District for capital outlay in the preceding year divided by the total FTES in the preceding fiscal year.

Students who would otherwise be charged this fee shall be exempt if they demonstrate that they are a victim of persecution or discrimination in the country of which they are a citizen and resident, or if they demonstrate economic hardship.

Students shall be deemed victims of persecution or discrimination if they present evidence that they are citizens and residents of a foreign country and that they have been admitted to the United States under federal regulations permitting such persons to remain in the United States. Students shall be deemed to have demonstrated economic hardship if they present evidence that they are citizens and residents of a foreign country and that they are receiving Temporary Assistance for Needy Families Program, Supplemental Income/State Supplementary benefits, or general assistance.
