USE OF FACILITIES

When college facilities are used for Associated Students of Citrus College sanctioned programs, the Administration reserves the right:

1. To have program taped. This tape may be used for a record of content for quoting the speaker and as a resource for press release.
2. To permit questions from the audience.
3. To require a personal background folio that could be checked for reliability through an agency selected by the College administration.

Individuals using Citrus College facilities for primarily entertainment purposes may be exempt from this policy. Individual contracts with agreeable conditions will be mutually entered into.
