MEMBERSHIP IN SERVICE CLUBS

Since it is desirable that there be a close relationship between the school and the community, each administrator is required to become a member of a service club and take part in the club's activities. The Citrus College Board of Trustees considers such membership as a part of the duties and responsibilities of any and all full time administrative officers.

When such meetings are held during the lunch hour, the administrators shall be given time off to attend such meetings.

A full-time administrator is eligible. Other employees may become eligible by Administrative Council action.
