## MATRICULATION

Citrus College distinguishes between the admission and the matriculation of a student. Day students and candidates for degrees or diplomas must be fully matriculated.

To be fully matriculated a student must:

1. Complete an application for admission.
2. File transcripts of all previous educational records with the College.
3. Complete required entrance and placement tests.
4. Confer with a counselor to receive individual counseling.
5. Meet any other specific requirements of the College.

Exceptions may be made by the College to one or more of the items listed above upon petition.
