SALE OF FOOD ITEMS ON CAMPUS

The purpose of this policy is to avoid the possibility of food poisoning on the Citrus College campus; therefore, it is designed in accordance with the principles of Public Health. Food which is sold or distributed for school activity must have the approval of the Student Activities Office.

1. Specific foods to be excluded
   a. Those foods where bacteria growth is exceedingly rapid and where refrigeration up to time of serving is required.
   b. Foods that are mixed by hand; i.e., foods that are molded and/or mixed with the hands touching the food.

2. All food prepared by students must be under the direct supervision of the College's cafeteria personnel. Otherwise, only pre-packaged food may be approved.

THIS POLICY DOES NOT PERTAIN TO COLLEGE CAFETERIA OPERATION
