COURSES - NEW, MODIFICATION OR REVISIONS

All recommendations for new courses, changes or revision of courses, or other modifications of curriculum must be presented to the Office of Instruction on a printed form which has been adopted by the Curriculum Committee. Copies of these forms are available in the Office of Instruction.

Adopted .................................................. 9/3/64
Revised .................................................. 1/5/67
                        12/14/76
                        5/16/95
