MINIMUM CLASS SIZE

The minimum enrollment for all classes offered at Citrus College will be twenty students. Classes designated as lecture, laboratory, and seminar are included in this policy. Classes that fall under the following categories may be exempt:

1. Independent study, research, coordinated instruction systems and classes by arrangement.
2. Classes required for graduation
3. Classes required in a major or a career subject areas.
4. Classes offered irregularly, based on enrollment and need.
5. Classes offered in limited classroom or laboratory facilities.
6. Experimental or pilot classes.
7. Classes offered to complete a sequence in a program.
8. Classes wherein size is mandated by statute or state regulation.

Any further exceptions must be approved by the Vice President of Instruction.
