Nursing - Registered						RNRS 251 Medical-Surgical Nursing IV 6 Units					
RNRS 193 Pediatric Nursing 3.5 Unit: Prerequisites: RNRS 190, 191, 192. Corequisites: RNRS 194, 195. This course focuses on integration and application of the nursing process as it relates to the nursing care of children and their families. Emphasis is on the concepts and skills related to age and developmental appropriate family centered care. Clinical experiences will provide opportunities for students to participate in therapeutic activities in a variety of pediatric settings. 36 lecture hours, 81 lab hours.						Prerequisites: RNRS 201 and RNRS 203. Corequisites: RNRS 252. This course is a continuation of the nursing care of selected individuals throughout the life span who are experiencing complex alterations in wellness involving multiple systems. Care of clients experiencing multi-system failure and severe trauma is also included. Clinical experiences in local health care agencies provide students opportunity to apply theoretical concepts to actual care of patients. 54 lecture hours, 162 lab hours.
