Public Works

PUB 150 Public Works I 3 Units

Strongly recommended: ENGL 099 or READ 099 if required by English placement or if required by English level.

Basic course in street maintenance covering the materials utilized; a review of equipment and techniques used in their applications. Other subjects include street tree programs, street painting and signs programs, street sweeping, weed control, watershed management, and other related subjects. 54 lecture hours.

31278 Alba, R. T 06:30 PM-09:40 PM PC 303 02/19-06/15

PUB 155 Public Works Inspection 3 Units

Strongly recommended: ENGL 099 or READ 099 if required by English placement or if required by English level.

A comprehensive course in public works inspection, including Portland cement concrete, asphaltic concrete, soils, base and subgrade materials. Contracts and specifications and plans will be discussed. Utilities, including underground water, sewer and storm drains will be covered, with emphasis on the safety aspects of trenching, tunneling and jacking. Responsibilities of the contractor, the engineer, the inspector and the owner will be included. Surveying and staking will be reviewed. Prime consideration will be given to inspection records, duties and job diary techniques. 54 lecture hours.

31280 Adawiya, I. HRS-ARRG 02/19-06/15

DISTANCE EDUCATION CLASS: After registering go to
www.citruscollege.edu/de.

PUB 156 Concrete Structures and Inspection 3 Units

Strongly recommended: ENGL 099 or READ 099 if required by English placement or if required by English level and MATH 115 or higher.

An advanced course in public works inspection covering Portland cement concrete culvert and bridge construction beginning with the field work of site preparation, structural excavation, concrete footings, "false work" structures, structural and reinforcing steel, and concrete placement. Prime considerations will be given to inspection reporting, records, and new advances in technology. 54 lecture hours.

31832 Adawiya, I. W 06:30 PM-09:40 PM PC 303 02/19-06/15

PUB 157 Asphalt and Portland Cement 3 Units

Strongly recommended: ENGL 099 or READ 099 if required by English placement or if required by English level.

A comprehensive course in asphaltic concrete and Portland Cement concrete construction technology following the standards of the Asphalt Institute, standard specifications for public works construction, American Concrete Institute and the Portland Cement Association. Included will be design production, placement, consolidation and compaction of the materials. Evaluation of surface defects, maintenance and safety will be covered. 54 lecture hours.

31279 Swartz, T. M 06:30 PM-09:40 PM PC 303 02/19-06/15

PUB 160 Public Administration 3 Units

Strongly recommended: ENGL 099 or READ 099 if required by English placement or if required by English level.

A basic course covering the overview of local government functions; development of the role of public works; the constraints of operation; techniques of administration in planning, finance, and personnel; the traditional model of public works organization and new advances in technology. 54 lecture hours.

30717 Mastro Simone, V. R 06:30 PM-09:40 PM PC 303 02/19-06/15
