III. DISCUSSION

**Introduction to Title V Changes -- Irene Malmgren, V.P. – Office of Instruction**

Irene Malmgren announced that there are several title five changes and as a result there will be multiple training sessions taking place. Training occurs throughout the state on November 2, 2007. Our plan will be to gather everyone that went to the training and decide what will impact us the most. We may decide to create a task force and/or provide a template that will facilitate complying with these changes. The deadline set by the Chancellor’s Office is February 2008.

**CurricUNET Forms (Distance Education and Honors)**

Curriculum Chair Maia Greenwell Cunningham reminded committee members that CurricUNET is aware that the Word Report does not reflect the Distance Education form or the Honors form. They are currently working on creating these forms for us.

**Stand-Alone Course Training**

The deadline for training Curriculum Committee members on Stand-Alone Courses is quickly approaching (October 31, 2007). If you have not been trained, please contact Curriculum Chair Maia Greenwell Cunningham on extension 8086 to arrange for training.
