REIMBURSEMENT RESOLUTION

RESOLUTION OF THE BOARD OF TRUSTEES OF THE CITRUS COMMUNITY COLLEGE DISTRICT REGARDING ITS INTENTION TO ISSUE TAX-EXEMPT OBLIGATIONS

WHEREAS, the Board of Trustees of the Citrus Community College District (the “District”) desires to finance the costs of acquiring, constructing, reconstruction and/or equipping of college facilities, and the refinancing of existing indebtedness as provided in Exhibit A hereto and incorporated herein (the “Project”);  

WHEREAS, the District intends to finance the acquisition, construction, reconstruction and/or equipping of the Project or portions of the Project with the proceeds of the sale of general obligation bonds or other forms of debt, the interest upon which is excluded from gross income for federal income tax purposes (the “Obligations”);  

WHEREAS, prior to the issuance of the Obligations the District desires to incur certain capital expenditures (the “Expenditures”) with respect to the Project from available moneys of the District; and  

WHEREAS, the Board of Trustees has determined that those moneys to be advanced on and after the date hereof to pay the Expenditures are available only for a temporary period and it is necessary to reimburse the District for the Expenditures from the proceeds of the Obligations.

NOW, THEREFORE, THE BOARD OF TRUSTEES OF THE CITRUS COMMUNITY COLLEGE DISTRICT DOES HEREBY RESOLVE, ORDER AND DETERMINE AS FOLLOWS:

Section 1. The District hereby states its intention and reasonably expects to reimburse Project costs incurred prior to the issuance of the Obligations with proceeds of the Obligations. Exhibit A describes either the general character, type, purpose, and function of the Project, or the fund or account from which Project costs are to be paid and the general functional purpose of the fund or account.

Section 2. The reasonably expected maximum principal amount of the Obligations is $125,000,000.

Section 3. This resolution is being adopted on or prior to the date that the District will expend moneys for the portion of the Project costs to be reimbursed from proceeds of the Obligations.

Section 4. The District will make a reimbursement allocation, which is a written allocation that evidences the District’s use of proceeds of the Obligations to reimburse an Expenditure, no later than 18 months after the later of the date
on which the Expenditure is paid or the Project is placed in service or abandoned, but in no event more than three years after the date on which the Expenditure is paid. The District recognizes that exceptions are available for certain “preliminary expenditures,” costs of issuance, certain de minimis amounts and expenditures for construction projects of at least 5 years.

Section 5. Each Expenditure will be either (a) of a type properly chargeable to a capital account under general federal income tax principles (determined in each case as of the date of the Expenditure), (b) a cost of issuance with respect to the obligation, (c) a nonrecurring item that is not customarily payable from current revenues, or (d) a grant to a party that is not related to or an agent of the District so long as such grant does not impose any obligation or condition (directly or indirectly) to repay any amount to or for the benefit of the District.

Section 6. This resolution is consistent with the budgetary and financial circumstances of the District, as of the date hereof. No moneys from sources other than the Obligation issue are, or are reasonably expected to be reserved, allocated on a long-term basis, or otherwise set aside by the District (or any related party) pursuant to their budget or financial policies with respect to the Project costs. To the best of our knowledge, this Board is not aware of the previous adoption of official intents by the District that have been made as a matter of course for the purpose of reimbursing expenditures and for which tax-exempt obligations have not been issued.

Section 7. This resolution is adopted as official action of the District in order to comply with Treasury Regulation §1.150-2 and any other regulations of the Internal Revenue Service relating to the qualification for reimbursement of District expenditures incurred prior to the date of issue of the Obligations.

Section 8. All the recitals in this Resolution are true and correct and this Board of Trustees so finds, determines and represents.
