Wheeler became the new Citrus College sports information coordinator on August 16. Wheeler is a recent graduate of Azusa Pacific University and holds a bachelor's degree in communications. While at Azusa Pacific, he served as sports director for the student radio station, KAPU, and as a sports writer for the student newspaper, The Clause. He also served as an intern in the school's University Relations office.

Supervisor/Confidential Information Booth Success

As a way to welcome new and returning students to Citrus College, the supervisors/confidential group coordinated and staffed information tables at five locations throughout campus to help students with questions. Assisting them in the effort were the Student Ambassadors. It is estimated that over 1,000 questions from new and returning students were answered. This was the first time the project was undertaken and by all accounts, it proved an overwhelming success.
