## Dr. Viera Presents State of the College

During Convocation 2006, Citrus College faculty, staff and administrators "Let the Good Times Roll." In addition to welcoming new Citrus College employees, the festivities included the state of the college address presented by Dr. Michael J. Viera, superintendent/president. Viera highlighted developments in the areas of the 2006-2007 budget, the nearly \$2 million in new grants the college has received, campus construction and the master plan, the creation of a new Citrus College web site, the Enterprise Resource Project, and new curriculum.

## A Taste of Autumn '06

Experience the joys of Temecula without leaving the San Gabriel Valley. The Citrus College Foundation has announced that their ninth annual A Taste of Autumn food and wine tasting benefit will be held on Sunday, October 8, 2006 from 4 to 8 p.m. The theme

for this year's event is "Passport to Temecula."

Don't miss out on this spectacular evening! Citrus College employees receive a discounted ticket price of \$65 per person, with a limit of four tickets. Payroll deduction is available. Look for your special invitation to be mailed in late August. To purchase a ticket or request additional information, call ext. 5557.

## Bright Futures Book Award

Over the years, the Citrus College community has sought after additional funding resources and worked diligently to reduce the textbook expense burden. Now, the Bright Futures Book Award program, which is being offered through the Citrus College Foundation, will provide the campus community with yet another opportunity to increase its support of students.

By contributing to the Bright Futures Book Award Fund, donors will help provide textbook grants for incoming students from our six district high schools. Donations can be made by payroll deduction, credit card, or check. For more information or an enrollment form, contact the Foundation at ext. 8825.

## College Adopts New Mission Statement

During their June 6, 2006 meeting, the Citrus Community College District approved the following as the college's new mission statement and objectives:

Citrus College delivers high quality instruction that empowers students to compete globally and to contribute to the economic growth of today's society.

We are dedicated to fostering a diverse educational community and cultural learning environment that supports student success in pursuit of academic excellence, economic opportunity, and personal achievement.

### **Mission Objectives**

Citrus College is a safe, friendly, accessible environment where all students and community members may optimize their academic, career, and cultural development. As Citrus College continues to advance as a dynamic center for life-long learning, we will:

- **provide** general, lower division coursework leading to an associate degree in the arts or the sciences;
- **prepare** students to transfer to four-year colleges and universities;
- **offer** technological services and support for students, faculty, and staff;
- **deliver** programs to improve basic math, reading, communication, and ESL skills;
- **grant** opportunities for students to develop a global perspective through a curriculum with international and multicultural applications;
- **furnish** support services for the intellectual and personal development of all Citrus College students, including opportunities to participate in campus governance;
- **foster** a comprehensive and enriching program of extracurricular activities;
- **conduct** community education programs that encourage learning at every stage of life;
- **award** occupational certificates and degrees for career preparation and advancement;
- **administer** customized training programs for business and industry;
- **increase** career development support for students, faculty, and staff through career exploration,
- **counseling**, job preparation, job opportunities, and academic and classified staff development;
- **collaborate** with local high schools in articulation and curriculum development;
- **advance** cultural and personal enrichment programs for the college and community members, and promote inter-collegiate competition opportunities for students.
