1. Program Mission/Description:

Program Mission and Relationship to College Mission:

Through participation in programs offered by the Office of Student Life and Leadership Development, students will become better engaged with Citrus College while also formulating basic life skills and confidence to become responsible global citizens. The Student Life and Leadership Development program, previously known as "Student Activities" (Appendix A) is committed to providing high quality experiences that enhance and facilitate limitless opportunities for student involvement in campus clubs, student government, and other campus activities that foster leadership development, educational and personal growth, diversity awareness, civic engagement, and social responsibility.

Through participation in programs offered by the Office of Student Life and Leadership Development, students will become more engaged with the Citrus College community, which will help increase their retention towards college completion while also formulating basic life skills and confidence to become responsible and active global citizens.

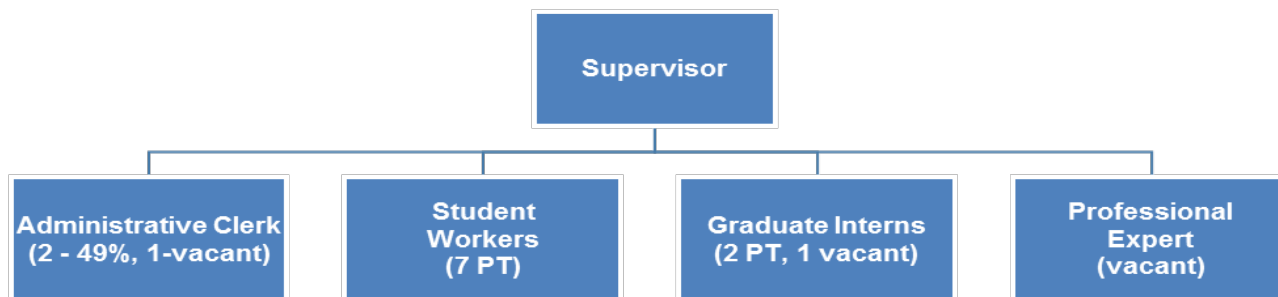

Program Description:

Student Life and Leadership Development plans and implements social and cultural activities, as well as other developmental programs to support the holistic growth of the student. Student Life and Leadership Development includes the Associated Students of Citrus College (ASCC), led by an executive board of 19 student leaders, ten of whom are elected and nine, which are appointed. ASCC represents the interests of students on College committees and advocates for students at local and state levels, as well as administering a campus services budget in excess of \$600,000 annually. Student Life and Leadership Development also oversees more than 30 campus clubs, as well as coordinates a comprehensive student activities program of social, cultural and professional development experiences. A core combination of leadership and personal development workshops are offered. This program also manages the administration of the Campus Center facility, equipment usage, and student benefits program. Student Life and Leadership Development is the point of contact for free speech questions, approval of postings for campus clubs and student activities, and monitors the posting of materials around campus. Lastly, Student Life and Leadership Development with the assistance of the Student Business Office, maintains a large student benefits program. This office provides services to students daily during the day and evening.

2. Key Functions/Goals:

- Plan and implement a comprehensive calendar of activities for students
- Oversee all campus clubs: their organization, constitution, advisors, campus procedures, meetings, co-curricular activities, fundraisers, and risk management
- Advise and plan long term goals/activities with ASCC Executive Board, as well as respond to potential District liability with respect to student activities and Campus Center operations
- Develop ASCC budget with Executive Board members, as well as approve and monitor ASCC expenditures.
- Facilitate student participation in shared governance
- Provide specialized leadership training to student government and campus clubs
- Monitor and maintain campus posting areas and approve all student life related fliers and posters
- Coordinate and maintain a comprehensive discount/benefits program for members of the (ASCC).

3. Assessment of Outcomes:

Assessment: *How did you assess the outcomes? What method did you use?*

Result: *What was the product or consequence of your assessment?*

Change: *What will you do differently as a result of what you learned from the assessment?*

Prompt: You may also include an analysis of workload/scope of work, and/or additional data (ARCC/Scoreboard and CCSSE surveys) to address this topic. Use existing data and/or document with a survey.

Populate with the existing Unit Outcomes				
	Outcome	Assessment	Result	Change
1	Department will provide a comprehensive program of social events and educational activities that promote personal growth, social awareness, and cultural awareness and appreciation. CCSP 2.3.8	Review of yearly calendar of non-club activities that are sponsored by the Office of Student Life and Leadership Development	In reviewing the data, more than 70 speakers, programs and events were held during the 2014-2015 academic year. Of those: <ul style="list-style-type: none"> • 52% were educational in nature, • 25% were social, • 12% were community service related, • 11% were related to diversity and cultural awareness. 	For the 2015-16 year, the program will make an effort to focus more on activities related to diversity, cultural awareness, and social justice, with a goal of 25 percent of programming dedicated to diversity, cultural awareness, and social justice topics.
2	Through participation in co-curricular workshops and speaker presentations, students will gain new life skills and/or an increased appreciation for diverse people, backgrounds and ideas.	Surveys to measure student learning and satisfaction will be administered at the end of events.	Surveys to measure student learning and satisfaction were administered at 5 large presentations, including: <ol style="list-style-type: none"> 1. Dr. Brian Burkhart "Celebrating Genocide: Holidays 	The program will shift its focus in the coming year to produce more activities and events focused on diversity, cultural appreciation and social justice issues.

4. Previous Recommendations/Goals:

Prompt: Provide an outline of the previous recommendations. Insert title of person(s) responsible. Status should be Completed or In Progress. If goal is in progress, explain why under status. Indicate completion date by Month/Year.

	Previous Recommendation/ Goals 2014-2015	Person(s) Responsible	Status/ Progress	Completed
1	Objective number eight of the Citrus College Strategic Plan calls for implementation of plans for cross-cultural awareness through speakers, clubs, and mentors. Based on data from the assessment of unit outcomes for 2013-2014, the department will actively work to increase diversity programming; support cultural clubs and their advisors; provide support for campus mentoring programs, such as "Citrus Connect"; and create a central location of information for campus-wide programming and services supporting cross-cultural awareness. CCSP 2.3.8	Supervisor, Professional Expert, Graduate Assistant, and Administrative Clerk	Completed	May 2015
2	Purchase and begin integration of OrgSync®, OrgSync®, an internet-based service provider, providing an umbrella program for clubs, departmental programs and other campus organizations to recruit and manage their clubs. CCSP 3.1.2 and 3.1.5	Supervisor, Professional Expert, Graduate Assistant and Administrative Clerk	In Progress	January 2016
3	Create a new branding/marketing identity for the Office of Student Life and ASCC programs. CCSP 6.2.2	Supervisor and Professional Expert	On Hold As Other Department Priorities Emerged	August 2016
4	Develop and implement a "Safe Zone" ally training program for LGBTQ students. CCSP 2.3.2	Supervisor, Professional Expert, and Student Health Center therapist	Completed	February 2015

5. New Recommendations/Goals:

Prompt: List new recommendations/goals in order of priority. Indicate estimated completion date by month/year. If applicable, reference the Citrus College Strategic Plan (CCSP) objectives that require funding and the Educational Facilities Master Plan (EFMP) goals, using the following format. Example: **CCSP 2.3.2 / EFMP pg. 361**

	New Recommendation/ Goals 2015-2016	Person(s) Responsible	Estimated Completion	Budget Priority
1 st	Upgrade staffing, facilities, and equipment in the Campus Center to provide a program and facility that is compliant and functional, as well as welcoming to students while providing services and social involvement opportunities facilitating student engagement and success. EFMP pg. 358-359	Supervisor, Administrative Clerk, and Campus Center Student Employees	June 2016	1, 3
2 nd	Purchase and begin integration of OrgSync®, OrgSync®, an internet-based service provider, providing an umbrella program for clubs, departmental programs and other campus organizations to recruit and manage their clubs. CCSP 3.1.2 and 3.1.5	Supervisor, Graduate Assistant and Administrative Clerk	February 2016	2
3 rd	Create a new branding/marketing identity for the Office of Student Life and ASCC programs. CCSP 6.2.2	Supervisor,	June 2016	3
4 th	Develop SafeZone training for students to create peer allies. CCSP 2.3.8	Supervisor and Student Health Center therapist	May 2016	2

Administrative Clerk I - 75% (re-classify position from 49% to 75%)	<p>Goal: Re-classify the current Administrative Clerk I position from 49%/11 month to 75% 12 month position.</p> <p>Impact: Provide better programs and services to students. Since at least the mid-1980s this program has had one 49 percent Administrative Clerk I (previously a "Clerk Typist I"). In that time, the requirements of the position have grown due to a nearly 205 percent increase in student enrollment*, and growth in the number of student clubs, coupled with an increased need for data collection and evaluation, alongside providing personal interaction in student development. One 49 percent clerk does not provide adequate support and coverage for the Office of Student Life, its programs or services and often requires the Supervisor to take on clerical tasks instead of providing student support and other administrative tasks.</p> <p>(*9,083 unduplicated students in 1984-1985 verses 18,615 in 2013-2014)</p> <p>New recommendation #1</p>	<p>Salary \$22,997 Benefits \$4,915 Health \$16,432</p> <hr/> <p>Total: \$44,343</p> <p>Net increase of \$30,226 to the ASCC Salaries expenses</p>	2	EFMP pg. 358-359
Program Assistant – 100% (new)	<p>Goal: Develop and hire a new position of program assistant to focus on the club program: development, organizational management, and advisor recruitment/support. Additional duties would provide support to student government and student activities.</p> <p>Impact: Without additional staffing, high-quality customer service and substantive program growth is difficult, at best. Additional staff will allow for substantive growth in programming quality and quantity as well as provide higher levels of customer service.</p> <p>New recommendation #1</p>	<p>Salary \$33,039 Benefits \$7,061 Health \$21,909</p> <hr/> <p>Total: \$62,010</p>	3	EFMP pg. 358-359

Modifications to Campus Center Restrooms and Executive Boardroom to better serve physically challenged students. Location: Campus Center (CC) Rooms 115, 119A, and 121A	Goal: Install automatic door openers for restrooms in Campus Center. Review layout of ASCC Executive Board Room; make changes to furniture and its placement to allow for wheelchair accessibility. Impact: Permit student participation in Student Life programs for all students. New recommendation #1	\$4,000	1	CCSP 4.1.1
Campus Center Renovation Location: Campus Center Upper Level	Goal: Work in conjunction with District architects and management to complete plans to re-start the stalled Campus Center renovation project. Impact: The Campus Center usage has outgrown the current infrastructure's capacities and has limited uses due to current floor plans. New recommendation #1	\$4.5M	2	EFMP pg. 426
Ergonomic review of staff workspace Location: Campus Center (CC) Rooms 110, 111, 112, and 112A	Goal: Have Environmental Health and Safety Supervisor conduct a review of staff workspaces for ergonomics Impact: In order to serve students, reach new goals, and control health costs/sick leave usage, we need healthy, fully-functioning staff persons. OrgSync® Subscription	Goal: Purchase and implement OrgSync®, an internet-based service provider. OrgSync provides an umbrella program for clubs, departmental programs and other campus organizations to recruit and manage their clubs. Impact: Increased service to students and streamlining of workflow for staff. Online activity approvals, data collection, roster management, and co-curricular transcripts are just a few of the benefits of this	\$15-20,000 start-up costs. \$5–10,000 annual subscription depending on the number of organizations/pr ograms linked.	2	CCSP 3.1.2, 3.1.5, and 5.3.1; EMFP pg.93

Student Portals	<p>Goal: Activate a system of student portals to create secure, centrally-located spaces for students to connect to Citrus College.</p> <p>Impact: The feasibility of moving our discount ticket sales online hinges on the ability to create a secure area where only students who have paid their student service fees may enter. We are contractually not allowed to sell via an insecure internet page.</p> <p>New recommendation #1</p>	\$0 direct cost to program, currently being addressed by TeCS	3	EMFP pg.93; Other: Information Technology Master Plan Goal 1B.2

Golf Cart	<p>Goal: Purchase a golf cart with cargo capabilities.</p> <p>Impact: Provide support for both the Dean of Students and Student Life and Leadership Development programs.</p> <p>New recommendation #1</p>	\$5,000	3	N/A
Power Tower Universal Charging Station	<p>Goal: Purchase two self-contained, portable charging stations for personal electronics</p> <p>Impact: Research has shown that keeping students on campus is key to their engagement and success. This is one small way to provide a service to reduce stress as well as their need to leave campus between classes to get forgotten chargers. It is also helpful for those students who use their phones or tablets in class to either take notes or follow along with instructor-posted presentations.</p> <p>New recommendation #1</p>	\$4,890 plus tax and shipping	3	CCSP 4.1
Shure SM58 Wireless Microphones	<p>Goal: Replace four (4) wireless microphones.</p> <p>Impact: Provide more reliable sound system capabilities for Student Life programs as well as other District functions held in the Campus Center facility.</p> <p>New recommendation #1</p>	\$299 each x 4 = \$1,307 (tax included)	2	N/A

Desktop Scanners (2)	<p>Goal: Purchase two (2) desktop scanners for Student Life and Leadership Development staff.</p> <p>Impact: Allows staff to function more effectively as we do not have scanners and must ask either the Dean of Students' secretary to scan items or go to the Bookstore or Library. This also allows for less physical storage of paperwork.</p> <p>New recommendation #1</p>	\$800 each x 2 =\$1,600	3	CCSP 5.3.1
