The Honors Program is designed for highly motivated students who are planning to transfer and want an enriched academic experience. Among the benefits of enrolling in the Honors Program are:

- Small class sizes and intensive interaction between faculty and students
- Academic and social interaction with other highly motivated and successful students
- Priority registration
- The ability to participate in Honors conferences and seminars
- Access to Citrus College's transfer alliance program that increases the likelihood of a successful transfer application to UCLA
- Honors Program recognition on transcripts, which is helpful in transfer applications
- Enhanced scholarship opportunities
