

Automotive Service, Diagnosis, and Repair – Master Technician (Certificate of Achievement) 16-17

The courses listed in the Automotive Service, Diagnosis, and Repair – Master Technician certificate meet the National Automotive Technicians’ Education Foundation Standards and are selected to provide a comprehensive set of job skills needed in the automotive industry. In addition to improving the student’s employability, the skills developed in the program will enhance their ability to become an Automotive Service Excellence (ASE) Master Technician. The certificate is designed to prepare an individual for employment or provide the skills needed for career advancement in the automotive industry.

To earn a certificate of achievement, a student must satisfactorily complete a specific sequence of required courses. At least 50 percent of these required courses must be completed at Citrus College. A grade of a “C” or better is required in each course needed for the certificate.
