WHY SHOULD I JOIN? DO I NEED TO BE A FOSTER YOUTH/FORMER FOSTER YOUTH?

It is not necessary to be a Foster/Former Foster Youth to join this club. Though the main focus is to help the growth and success of Foster Youth we're open to all support, friendships and Unity. Help support and encourage graduation success for our students.

WHY SHOULD I JOIN IF I AM A FOSTER/FORMER FOSTER CARE YOUTH?

Meet other students who have gone through similar experiences such as yourself. Share past encounters, struggles and triumphs with peers. Be a part of a non-judgmental family type group that mainly focuses on listening to the voices of those never heard. Enjoy a positive, strong motivating support group that will help you speak out in a confidential setting. Finally, begin overcoming emotional barriers and help create a solid foundation to a life of success after Foster Care.

Let’s beat the odds together!!!
