Admissions & Records
(626) 914-8511
The Admissions and Records Office is the gateway to Citrus College and the official custodian of student records. Here, applications are processed, registration is facilitated and grades are verified. Students can submit an application online with accessible computers, request program changes and deliver or inquire about their transcripts.

Athletics
(626) 914-8650
Citrus College is member of the Western State Conference and Southern California Football Alliance. The Fighting Owls intercollegiate sports include:

Bridges to Success Program
(626) 857-4191
Funded by the Title V HSI Grant, Bridges to Success will increase the success, persistence, degree completion, and transfer rates of Hispanic and underrepresented students by providing a strengthened and articulated pathway. Bridges to Success will have a Writing Café, career learning communities, Supplemental Instruction, faculty/peer mentoring, and new degrees and certificates.

Transfer Center
(626) 914-8639
The Career/Transfer Center serves students’ career development and transfer needs. Career counselors help students explore occupations and career fields using comprehensive printed and computerized resources. It also has helpful resources for students who plan to transfer to a university. Counselors and college representatives are available by appointment and the resource center is open daily.

College Success Program
(626) 857-4191
The College Success Program provides educational opportunities for students to improve their reading, writing, math and communication skills. College Success Center offers tutoring, access to learning software, and free workshops on study skills and test taking. “Linking” two or more classes, learning communities create a community of instructors and students.

Counseling & Advisement
(626) 914-8530
Counseling and Advisement provides professional counselors and educational advisors, available by appointment, to assist students in educational, vocational and personal matters. Consistent use of counseling and advisement is necessary due to the frequent changes in requirements and
recommendations for colleges and universities, as well as new developments in career opportunities. Students are strongly encouraged to meet with a counselor during their first semester to develop a student education plan (SEP).
DSP&S
Disabled Student Programs & Services
(626) 914-8675
DSP&S provides support to students who have a verifiable disability that limits one or more major life activities. Students with a physical disability, visual impairment, auditory impairment, psychological disability, permanent or temporary health concerns or a learning disability can receive assistance from specialized personnel. Additional resources are also available.

EOP&S
Extended Opportunities Programs & Services
(626) 914-8555
EOP&S helps students from economically and educationally disadvantaged backgrounds to achieve their academic and career goals. Support services consist of information and assistance in admissions, enrollment, financial aid, assessment, and selecting a major and/or a career. Additional resources are available for eligible students.

CARE
Cooperative Agencies Resources for Education
(626) 914-8555
Through CARE, students receive supplemental educational support services, such as counseling, advisement and peer networking activities specifically designed for low-income, single parents. In addition, CARE provides grants and allowances for childcare, transportation, textbooks, and supplies to ensure strong retention, persistence and transfer rates.

CalWORKs
(626) 852-8023
CalWORKs (California Work Opportunity and Responsibility for Kids) is the state’s welfare-to-work program for families with children. The Citrus College CalWORKs Program works in collaboration with the Department of Public Social Services to assist students with education, training and job skills. Citrus College provides short-term training programs to help CalWORKs students enhance their skills and/or develop new skills to find employment as they transition off of cash aid to become self-sufficient.

Financial Aid
(626) 914-8592
The Financial Aid Office is responsible for initiating, monitoring, and disbursing federal and state funds, as well as scholarships. Financial aid is provided to students in the form of grants, scholarships, employment, and loans. Online filing of the Free Application for Federal Student Aid (FAFSA) is required for all financial aid resources. Students must apply for financial aid as soon as possible after January 1st every year.

Honors Program
(626) 857-4039
The Honors Program is for highly motivated students who plan to transfer and want a unique learning environment emphasizing scholastic excellence. The objective of the program is to better prepare students for transfer to a four-year institution and to complete a bachelor’s degree. Benefits:

♦ Small class sizes in Honors courses
♦ Citrus College Honors Transfer Alliance Program (TAP)
♦ Enhanced scholarship opportunities
♦ Opportunities to participate in honors conferences and seminars
♦ Priority registration
♦ Honors Identification on transcripts
♦ Special recognition at graduation
Learning Center
(626) 914-8570
The Learning Center provides access to a wide selection of resources that provides students with strategies and techniques designed to promote your academic success.

Language Lab
The focus of the Language Lab is to support instructional objectives and student learning outcomes of ESL students through the use of technology and directed learning activities. The lab also presents opportunities for students to gain an understanding and appreciation of American culture, as well as, helping to prepare students for the demands of transitioning into transferable non-ESL courses in fulfillment of their undergraduate goals.

Tutorial Services
Tutorial Services provides free individual or group tutoring with trained peer tutors. Assistance is offered in many subjects, including math, sciences, history, English, writing, ESL, and foreign languages. Online tutoring through email and chat rooms is also available.

Testing Center
The Testing Center offers test administration, proctoring for online exams, make-up tests for traditional classes, and assessment testing.

Success Centers
Free tutoring, learning software, and workshops are available at the success centers.

Library
(626) 914-8640
The library provides assistance to students with research for term papers, speeches and personal information needs. Students are invited to explore the library’s many resources and services.
- Individual and group study areas, computers, audiovisual equipment and photocopiers
- Over 60,000 volumes of books, periodicals, and other printed information
- 30 internet-based full text databases searchable from any campus computer or from home

Owl Bookshop
(626) 914-8620
The Owl Bookshop is owned and operated by the Associated Students of Citrus College (ASCC) as a service to students, faculty, and staff with the purpose of making educational and related materials available. The Owl Bookshop accepts MasterCard, VISA, Discover, American Express, cash, ATM or personal check with valid California driver’s license. Books and supplies may also be purchased online at www.owlbookshop.com. The Bookshop is located adjacent to the Campus Center.

The Owl Bookshop Art & Coffee Bar
A place to meet and mingle. Proudly serving Starbucks coffee, the art and coffee bar also offers student created art for sale in the lobby entrance, bottle and fountain drinks, sandwiches, grab n’ go snacks, and fine art and school supplies.

RACE to STEM
Science, Technology, Engineering, and Math
(626) 914-8701
The program is part of a coordinated effort to increase the number of underrepresented students attaining AA/AS degrees in STEM and/or ready to transfer to four-year institutions to study in the fields of Science, Technology, Engineering and Mathematics.
School Relations & Outreach  
(626) 857-4162

The Office of School Relations and Outreach is responsible for coordinating high school outreach and recruitment activities for Citrus College. The services include visits to local high schools to provide information on available programs and services at Citrus College; presentations and workshops; Early Decision Day activities; Parent Orientation Night; campus tours; and Welcome Day. The office also manages the Student Ambassador Program.

Student Employment Services  
(626) 914-8596

Student Employment Services (SES) is a free job referral service for currently enrolled Citrus College students, as well as for alumni. The Student Employment Office lists various employment opportunities.

Study Abroad  
(626) 914-8560

Study Abroad can be an enlightening, maturing and life-changing experience. Citrus College offers study abroad programs in England, Spain, Italy, and Costa Rica. The Study Abroad program is offered under the auspices of the Southern California Foothills Consortium in partnership with the American Institute for Foreign Study (AIFS) College Division. Most courses taught through the program are transferable to major universities and are part of Citrus College’s regular course offerings.

Student Life  
(626) 914-8601

Student Affairs and Student Life help students engage and excel while attending Citrus College. Student life encompasses, oversees, and facilitates Student Life and Leadership Development, inter-collegiate athletics eligibility, Student Business Office, Student Business Program, campus clubs and Inter-Club Council (ICC), and Associated Students of Citrus College (ASCC).

Students are encouraged to become involved in student clubs and organizations. Club activities include business meetings, lectures, discussions, field trips, publications, exhibits and special events of interest to the general student body and to the community.

Veterans Success Center  
(626) 852-6421

The Veterans Success Center is a one-stop location where students can receive assistance with GI benefits processing, obtain counseling referrals, and access services such as the Veterans Book Fund, and the Veterans Network club. In addition, information about the veterans’ transitional course, tutoring, peer to peer support groups and workshops for student veterans, and veterans’ organization contacts are also available through the Veterans Success Center. Our center is state-of-the art in its services and atmosphere.
