

# ESL Sequence Chart

## ENGLISH AS A SECOND LANGUAGE (ESL) SEQUENCE OF COURSES

ESL classes help students prepare for academic coursework at Citrus College. These classes focus on developing reading, writing, grammar and oral skills. ESL classes also prepare students to enter an associate degree or career technical program, or transfer to a four-year college or university.

The ESL Sequence of Courses outlines the courses provided at various levels. Students must take an ESL placement test to determine their level. For more information, contact Mary Mincer at 626-914-8549. To register for noncredit ESL classes, please go to the Lifelong Learning Center or call 626-852-8022.

\*If Level 2 courses are not offered, students will enroll in Level 3 courses.

### Core Courses

### Non-credit ESL

Beginning—Level 1
