AIFS TRANSPORTATION PACKAGE

Participants have the option of purchasing a round-trip ticket for the flight arranged through AIFS. Participants choosing this option should note the following restrictions: Tickets purchased from AIFS are exclusively on scheduled airlines (not charters). They are not endorsable to another carrier. Flights are not necessarily direct or non-stop, and frequent flyer miles are not applicable. The AIFS Transportation Package includes round-trip ground transportation from the airport in Costa Rica to your accommodations on the regularly scheduled program dates. AIFS will book flights on the dates indicated on this application only.

Participants wishing to purchase the Transportation Package must notify AIFS in writing by Friday, October 9, 2015.

Participants wishing to cancel from the flight must notify AIFS in writing by Friday, November 13, 2015. Cancellation penalties will apply. Tickets are non-refundable after this date.

AIFS Airfare Regulations: Return must be to original U.S. departure point. Tickets are subject to airline availability. No refunds are available for any unused portion of ticket. Tickets cannot be rerouted, and stopovers are not permitted. Once in Costa Rica participants may be able to change their return date, but only if that date is available and in the same class of service in which the ticket was booked. Only the ticketing agent can provide this information. Participants are subject to agency and airline-imposed change fees and space availability. Group round-trip ground transportation to and from the airport in Costa Rica is on the regularly scheduled program dates only.

AIFS cannot guarantee that all passengers will be booked on the same flight.

AIFS will not make your flight arrangements for you unless you clearly indicate your travel preferences on your application.

A minimum of 12 students must take the AIFS flight for it to be offered.
