Dear Faculty and Staff,

I am writing to share an update with you regarding the search process for our Interim Vice President of Academic Affairs position.

We recently concluded the campus search process for our Interim Vice President of Academic Affairs position, and I wanted to inform you that I will be recommending Dr. Dana Hester to the Board of Trustees for this interim leadership role. Pending Board of Trustees approval at their August 16 Board meeting, Dr. Hester will begin her role as Interim Vice President of Academic Affairs effective August 17.

Later today, a separate communication will be sent to all faculty and staff to share information about an internal campus recruitment that will take place for the position of Interim Dean of Social and Behavioral Sciences, Online Education.

Please join me in congratulating Dr. Hester as she prepares to serve as our Interim Vice President of Academic Affairs.

Sincerely,

A handwritten signature in black ink, appearing to read "Greg Schulz".
