Dear Citrus College Community,

I hope you and your loved ones have remained safe as Tropical Storm Hilary passed through our region late last night and early this morning.

I am pleased to confirm that our campus will reopen tomorrow, Tuesday, August 22, for normal operations. I would like to express appreciation to our facilities/maintenance, grounds, custodial, TeCS, and campus safety teams, for their extraordinary work as they assessed our campus and will continue working through tomorrow morning so we can safely reopen.

Thank you for your patience and understanding as we dealt with these unprecedented weather conditions. I look forward to seeing you on campus very soon as we celebrate the start of the fall semester.

Sincerely,
