**FOR 101  Introduction to Forestry**  
3 Units  
Strongly recommended: ENGL 099 or READ 099 if required by English placement or if required by English level.  
Covers the relationship of forests to our national and local life. The various forest sciences and the uses of the forest including timber, water, recreation, grazing, and wildlife. The forest organizations: federal, state, county and private.  
54 lecture hours. CSU UC

**FOR 105  Wildland Fire Management**  
3 Units  
A course designed to provide the knowledge of the factors affecting fire behavior, fire control techniques and wildland fire prevention. Factors of topography, fuels and weather will be included.  
54 lecture hours. CSU

**FOR 106  Principles of Wildlife Management and Ecology**  
3 Units  
A lecture course examining wildlife management as a science, through which a brief history of wildlife management, ecosystems, population ecology, animal behavior, food and cover, wildlife diseases, predation, endangered species, economics of wildlife, and fisheries are discussed.  
54 lecture hours. CSU UC
