Explanation of deadlines:
Fall Curriculum Approval Deadline: Courses must be on the agenda at this meeting to be reviewed by committee prior to the end of the term. Locally approved proposals not approved by the Chancellor's Office in time for local catalog publication deadline will be published in the Spring addendum.
Textbook Deadline: Textbook updates must be approved by the Tech Review by this date.
Catalog Deadline: Any changes that will appear in the 2024-2025 catalog must be approved by this date.
CSUGE/IGETC deadline: Any course that you would like to have listed as meeting CSUGE/IGETC requirements for Fall 2024 must be approved by this date. (Must already be UC approved).
UC New Course deadline: Any new course that you would like to have listed as UC transferable for Fall 2024 must be approved by this date.
CSU New Course deadline: Any new course that you would like to have listed as CSU transferable for Fall 2024 must be approved by this date.
New Programs/Certificates/Degrees: Any new program, degree, or certificate that you would like to have available for students in Fall 2024 should be approved by this date.
