Zuri the Rottweiler will be one year old on April 9th, 2017. She was the runt of a litter of eight.

She is being trained to be a guard dog but she loves to play. She already knows how to sit, stay, lay down, speak, fetch, and control herself when other dogs are near. Her favorite game is Hide and Seek.

She demands attention and refuses to be denied love. When everyone is home she roams the house sharing her sweet, wet kisses. Zuri knows that she is a member of the family. Shalini's son says that Zuri just wants to be part of the squad!
