

Bella was adopted from the Pasadena Humane Society and has been a part of our family since July 2014. She is about 6 years old and is a Husky/Terrier mix with beautiful piercing blue eyes. That is the first thing everyone comments about her. She loves to chase squirrels and lizards and playing with the neighborhood dogs.

She thinks she is human and likes to sit on the couch and loves to jump on the bed to snuggle with her “daddy” at bedtime. She loves people food, especially chicken and lasagna. She can be mischievous and has been caught climbing over backyard gates. She is named after Belle from the Beauty and The Beast movie.
