**HOBBIES/INTERESTS**

*I love to paper craft, especially with my "Crafty Colleagues" here at Citrus. During the terms I don't teach, I love to travel whenever I can. Thus far, I've been to England, France, Italy, and Korea. I'm hoping to travel to Switzerland next. I also like to collect mugs from colleges that my students attend; I'm growing quite the collection as my former students add to my college mug collection.*
