Residency
At the time of admission, students are classified as either California residents or nonresidents. Both residents and nonresidents are welcome to enroll, but nonresidents will be charged tuition in addition to enrollment fees. Residency is automatically determined based on the information provided on the application. Students wishing to change their residency status must submit a Petition for Residency Reclassification.

Nonresidents are those that were not classified as a resident at the time of admission.
Admissions Information

International Students attending on F-1 visas are considered nonresidents. Consult the International Student Center for details concerning application and registration.

Reclassification to Resident Status must be initiated by the student. Evidence of physical presence and intent to reside in the state of California for at least one year and one day prior to the semester’s start date must be submitted for a residency review. Students interested in changing their classification should contact the Admissions and Records Office.

For additional information on residency see Administrative Procedures 5015.

AB 540 Nonresident Tuition Exemption
U.S. citizens, permanent residents and undocumented persons who attended a California high school for a minimum of three years and graduated from a California high school or attained the equivalent, may be eligible for an exemption from the nonresident tuition fee. Students who are non-immigrant aliens (e.g., F-visa holders or B-visa holders) are not eligible for this AB 540 exemption. To qualify for the AB 540 waiver, students must fill out the AB 540 California Nonresident Tuition Exemption Request form and provide a copy of their official high school transcripts to the Admissions and Records Office.

Residencia
En el momento de ser admitidos, los estudiantes serán clasificados como residentes de California o como no residentes. Tanto los residentes como los no residentes pueden inscribirse, pero los no residentes tendrán que pagar cuotas de matriculación además de la cuota de inscripción. Los residentes son aquellos que han vivido en California por lo menos un año antes de que inicie el semestre y que puedan demostrar que intentan permanecer como residentes de California. Es la responsabilidad del estudiante presentar documentos que comprueben su residencia.

Los no residentes son aquellos que han vivido en el estado por menos de un año antes de que inicie el semestre o aquellos que tienen visas de no-inmigrantes lo que impide que puedan establecer residencia.

Important! If you are undocumented, you may attend Citrus College and any other state college or university. You will not be denied admission to Citrus College based on your immigration status.

Military Personnel
Military Personnel are considered residents while stationed in California for active duty. The spouse and dependents are considered residents during the first year in which active duty began in California.
