2015 – 2016

General Education Pattern for the Associate Degree

The Associate in Arts or the Associate in Science degree will be granted upon the completion of 60 degree-applicable units of work and fulfillment of the following specific requirements listed below. These graduation requirements shall apply to first time and returning students enrolling Summer 2015 and thereafter. Students who have maintained continuous enrollment (completed a course with an academic record symbol, excluding W, each semester) have the option of meeting these requirements or those in effect at the time continuous attendance began.

The Associate in Arts or the Associate in Science Degree will be granted upon the completion of 60 degree applicable units of work and fulfillment of the following specific requirements:

1.) Scholarship Requirement:
   A. An overall grade point average of 2.0 or better must be earned in all lower division coursework attempted at Citrus College and at any regionally accredited post-secondary education institution.
   B. A 2.0 or better in credit courses in the curriculum upon which the degree is based and C. Good academic standing at the college.

2.) Residence Requirement:
   A.) Successful completion of a minimum of 12 units in residence

3.) Major Requirement:
   Completion of at least 18 units with a grade point average of 2.0 or better in each course attempted that is counted toward the major.

4.) General Education Requirements:
   A.) Option I: 25 units as stipulated by the Citrus College graduation requirements; or
   B.) Option II: 39 units as stipulated by the CSU general education certification requirements; or
   C.) Option III: 34 units as stipulated by the completion of the IGETC pattern.

5.) Kinesiology Requirement:
   (No varsity sports courses may be used)
   A.) Three units of Kinesiology or Dance activity as stipulated by the catalog or B.) Completion of KIN 100, 170, 171/H, or 173.

6.) Competency Requirements:
   A.) Writing: Completion of an English Composition General Education Requirement with a grade of “C” or better.
   B.) Mathematics Requirement:
      Proficiency in Mathematics may be satisfied by one of the following:
      I.) Completion of two years of high school algebra AND placement at the level of College Algebra or higher on the Math assessment test or
      II.) Completion of any mathematics class listed in the mathematics section of the General Education Requirements with a grade of “C” or better.
      *Transcript needed to verify the 2 years of high school algebra.
   C.) Reading Requirement:
      Proficiency in reading may be satisfied by one of the following:
      I.) A satisfactory score on the reading component of the placement test. at the ENGL 101 level or
      II.) A passing grade in ENGL 099

Associate in Arts for Transfer (AA-T) and Associate in Science for Transfer (AS-T)

Degree requirements for Associate in Arts for Transfer and Associate in Science for Transfer differ from those previously listed as follows:
1.) All 60 units must be CSU-transferable.
2.) While the minimum grade point average (GPA) is at least 2.0 in all CSU-transferable coursework for admission to the CSU system, some majors may require a higher GPA. Please consult with a counselor for more information.
3.) All courses in the major must be completed with a grade of C or better.
4.) Completion of one of the following General Education Requirements:
   A.) Option II: 39 units as stipulated by the CSU general education certification requirements, or
   B.) Option III: 34 units as stipulated by the completion of the IGETC pattern,
   *Note that option I available for A.A. and A.S. degrees is not available for AA-T and AS-T degrees.
5.) No additional competency and local area requirements
## General Education Pattern for the Associate Degree – Option I

### OPTION I

#### AREA A – Language and Rationality - Communication in the English Language and Critical Thinking

9 semester or 12 quarter units required with at least one course each from A1, A2 and A3.

Students satisfying the mathematics competency requirement through the mathematics assessment are required to complete two courses, six semester units or eight quarter units minimum, including one course from English composition and one course from either mathematics or Communication and Analytical Thinking. Students who do not satisfy the mathematics competency through the mathematics assessment are required to complete three courses, nine semester units or twelve quarter units minimum, including one course from English Composition, one course from Communication and Analytical Thinking and one course from Mathematics.

General Education Pattern for the Associate Degree – Option I

Transfer Units
A.) From U.S. accredited colleges: Only lower division units from regionally accredited colleges or universities may be transferred. Relevant upper division units may be used toward an A.A. or A.S. degree.

B.) From foreign colleges: Transcripts from foreign colleges and universities will be accepted only when evaluated by an evaluating service recognized by Citrus College. Credit will be granted when the academic level of the coursework is deemed to be comparable to that of classes taught in fully accredited United States colleges and universities. No grade points will be given on the Citrus College transcript for courses taken at foreign institutions.

Graduation/Certificate Application: Completion of an Application for Graduation/Certificate together with submission of relevant petitions and official transcripts by stipulated deadlines.
A.) Graduation requirements must come from a single catalog.
B.) All transcripts of prior work must be on file in the admissions and Records Office before the application can be completed.

Outstanding Debt: A diploma and/or certificate may not be released until the student has paid all outstanding debts to the college.

Multiple Majors: Within the graduation requirements for the Associate Degree at Citrus College, it is possible for a student to complete the requirements for more than one major providing that minimum requirements are met for each major.

Catalog Rights: Students who maintain continuous enrollment may elect to graduate under the requirements of the Citrus College catalog in effect at the time of enrollment to Citrus College or at the intended date of graduation from Citrus College.

Continuous Enrollment: A student is continuously enrolled if he/she receives a grade (A, B, C, D, F, FW, MW, P, NP, or I) in any semester, fall or spring, during each academic year. Continuous enrollment is maintained at Citrus College if a student transfers to another regionally accredited institution, as long as he/she receives a grade (A, B, C, D, F, FW, MW, P, NP, or I) in any semester, fall or spring, during each academic year at that institution.

Note: State of California and federal law, as well as Citrus College Board Policy, shall take precedence over catalog rights.

Official Transcripts: In order to apply units completed at another institution toward a degree, official transcripts may be mailed, submitted electronically, or hand-delivered.

Transcripts from non-accredited colleges are sometimes may be evaluated for prerequisite and course placement. Military service credits based on DD-214 are posted after a veteran’s first semester of attendance.
